2. *Prior to 1967, there was no "winner", the event being conducted on a class basis, as several "races". Those noted are however generally accepted as having the fastest time.*
3. *In 1987 the event was a round of the FIA World Touring Car Championship. Provisional winners Soper and Dieudonne were excluded when their Ford Sierra RS 500 was determined to be ineligible.*
4. *In 1997 and 1998 there were two meetings conducted at Bathurst. Each meeting included a 1,000km event – one for Super Touring Cars and one for V8 Supercars.*
5. *The Bob Jane T-Marts Bathurst '99 meeting included a 500km event for Super Touring Cars.*
